

FOR IMMEDIATE RELEASE

HELENA-WEST HELENA: As a result of the COVID-19 situation and the State of Emergency proclamation made by the city's Mayor, Kevin Smith, Partners Bank announces certain operational modifications it is taking. The Bank acknowledges its commitment to maintain a safe and healthy environment for its team members, valued customers and community members.

Effective Tuesday, March 17, Partners Bank will begin offering drive-thru only service from its branch locations in Phillips County. Current loan customers may contact their loan officer to discuss options for business needs. Night Deposit Boxes will also be available for deposits and loan payments.

If you need to talk to one of our personal bankers, please call us during regular business hours at 870-338-6451. We will be here to take care of your needs. In addition, we urge you to use any of our digital banking options including mobile banking through all smart phones and internet banking through our website at www.partnersbnk.com. The telephone number to our 24-hour Moneyline is 1-800-811-4082 and allows you to conduct an array of banking services. Any customers not utilizing our digital banking options are asked to consider using them now.

The Bank will continue to communicate any updates or changes that might affect our services to you through our website and social media outlets.
